

Endeavor Procedures:

Students wishing to enroll in Endeavor should:

1. Schedule an appointment with their guidance counselor. The guidance counselor will meet with the student and parent to review the student's credits and the requirements for Endeavor.
2. Following the meeting, the application (complete with student, parent, and guidance counselor signature) will be forwarded to the principal (or grade level assistant principal) and the Director of Special Education (if the student has an IEP) for the final approval.

Following the final approval, the guidance counselor will notify the student and the Supervisor of Alternative Programs. Depending on the space available in the Endeavor classroom, the student will either start in Endeavor or be placed on a waiting list for the next available "seat".
